Breaking News: SVMITM is now "AUTONOMOUS"

After a long wait, SMVITM has finally been declared autonomous! Students are excited, hoping this change will bring more up-to-date courses and flexibility in learning.

SMVITM – A new chapter in modern education begins.

With autonomy, the institution can now design its own syllabus, conduct exams independently, and update teaching methods in line with current industry needs.

Holiday Updates

Deepavali is just two weeks away! The academic calendar has been adjusted to include a short festive break.

Upcoming Changes

- **04-10-2025** – Saturday (Working Day – Tuesday Timetable)
- **21-10-2025** – Tuesday (Holiday)

Exam Timetable Notice

The CIE-5 exams will begin from **28th October 2025**. Subject-wise schedule will be shared soon by the Exam Section.

Placement Updates

Industrial Visit is Coming Up!

The CSE Department is organizing an industrial visit to Infosys, Mysore next week! The trip will also include sightseeing in Madikeri — combining learning and leisure.

Leaving Udupi	Return to Udupi
15-10-2025 (Evening)	18-10-2025 (Morning)

This visit aims to give students real-world exposure to professional software environments and corporate best practices.

Congratulations to the 2025 batch students placed in **TCS**, **Infosys**, **Wipro**, and **Accenture**. More campus drives are scheduled in November.

Student Achievements – Department of CSE

Our students have made us proud once again! Final year students **Riya Shetty** and **Akash Nayak** have won first place in the National Level Hackathon “TechSolve 2025” organized by NITK Surathkal. Their project on *Smart Waste Segregation using AI* received wide appreciation.

The management congratulated the winners for bringing laurels to SMVITM and encouraged others to participate in upcoming innovation challenges.

Announcement: TechFest 2025 – “INNOVISION”

Get ready for **INNOVISION 2025** – the biggest annual tech event of SMVITM! It will feature coding contests, paper presentations, workshops, and gaming challenges. This year's theme is *“Technology for a Sustainable Tomorrow.”*

- Date: 5th & 6th November 2025
- Venue: Main Auditorium & CSE Block
- Registration opens: 20th October 2025

All students are encouraged to participate and showcase their innovative ideas. Prizes and certificates will be awarded to winners in each event category.
